The mission of the Jackson County Library District is to connect ALL people to knowledge, ideas and each other.

IV. Review Values
The Board reviewed the criteria and definition of core values.
A. What are Core Values and Criteria
   Core values are the organization’s enduring, essential tenets
   • You would want the JCLD to continue to stand for this core value in 100 years?
   • You would want the JCLD to stand for this even if it became a disadvantage?
   • Typically not more than 6 values with descriptions

B. Draft Values and Key Descriptions
   • Welcoming – library is for everyone, respect, all cultures, honor diversity …
   • Accountability – integrity, credible, straight forward, transparent, ROI, honesty, to patrons, community, staff
   • Accessibility – “look beyond the obvious” removing barriers, intellectual freedom, outreach
   • Innovation – fun, creative, leverage assets of the community, build on success
   • Collaboration – Community – place of the people, unifying thread, partnerships

B. Key Comments
   • Board members suggest that the word integrity is key as a value. It is viewed as more all-encompassing than “accountability”.
   • Board members suggested that “Respect” is a key value and is perhaps the overarching idea expressed by the “Welcoming” descriptors.
   • They strongly support the values of “Collaboration”, “Innovation” and “Accessibility”.

V. Next Steps
   • Blue Ribbon Committee finalizes recommendation of mission and values
   • Blue Ribbon Committee reviews goals and objectives and refines
   • Board will review revised values and drafted goals and objectives at next work session 3/14/16
   • The Blue Ribbon Committee will receive the Board’s feedback at their final meeting on April 11th
